Subject: Request for Technical Onboarding – Factory-Fitted AIS-140 Devices in Vehicles

Respected Sir,

We, [Company Name], are engaged in the manufacture of motor vehicles and hereby request onboarding for factory-fitted AIS-140 compliant Vehicle Location Tracking Devices (VLTD) installed in our vehicles.

We confirm that:

1. The AIS-140 devices installed in our vehicles are type-approved by CMVR Rule 126 notified testing agencies.
2. The devices are integrated at the manufacturing stage and comply with AIS-140 specifications and applicable CMVR provisions.
3. The devices are capable of seamless integration with the State VLTD Monitoring Platform, including data transmission, emergency alerts (SOS), and prescribed communication protocols.
4. We shall ensure that all factory-fitted devices are registered, validated, tagged and activated in the State backend platform prior to vehicle delivery, as per SOP.
5. We shall provide necessary support for testing, validation, troubleshooting and compliance verification.

We request AMTRON to kindly evaluate our request and grant approval for onboarding of our factory-fitted AIS-140 devices.

We undertake to comply with all applicable SOPs, technical standards and directions issued by AMTRON and Transport Department, Government of Assam.

Yours faithfully,

For [Company Name]
