Subject: Request for Technical Onboarding as M2M Service Provider for AIS-140 VLTD Implementation in Assam

Respected Sir,

We, [Company Name], hereby submit our request for onboarding as an M2M Service Provider for AIS-140 compliant Vehicle Location Tracking Devices (VLTD) under the State AIS-140 Vehicle Tracking and Monitoring System implemented in Assam.

We confirm that:

1. We are a validly registered M2M Service Provider with DoT.
2. We have the necessary infrastructure and capability to provide reliable connectivity services (SIM/eSIM/APN) for AIS-140 compliant VLTD devices.
3. Our services support secure data transmission, uninterrupted connectivity, and backend integration requirements of the State VLTD Monitoring Platform.
4. We shall ensure compliance with all technical, security and integration protocols prescribed by AMTRON.
5. We shall extend full cooperation for testing, validation and integration with the State backend platform.

We request AMTRON to kindly undertake necessary evaluation and grant approval for onboarding.

We agree to abide by all applicable guidelines, SOPs, and directions issued by AMTRON and the Transport Department, Government of Assam.

Yours faithfully,
For [Company Name]
