Subject: Request for Technical Onboarding – AIS-140 Compliant Retrofitted VLTD Device manufacturer

Respected Sir,

We, [Company Name], are manufacturers of AIS-140 compliant Vehicle Location Tracking Devices (VLTD) and hereby request onboarding for retrofit installation of our devices in vehicles registered within the State of Assam.

We confirm that:

1. Our VLTD devices are type-approved by CMVR Rule 126 notified testing agencies.
2. The devices comply fully with AIS-140 standards, including vehicle tracking, panic button integration, and communication protocols.
3. The devices are capable of secure and seamless integration with the State VLTD Monitoring Platform, including real-time data transmission and SOS alert handling.
4. We shall ensure that all installed devices are tested, verified, tagged, and activated in the Assam State AIS140 VLTD backend platform as per prescribed SOP.
5. We shall appoint authorized dealers/retrofitment centres and ensure:
 - Proper installation of VLTD and panic buttons
 - Compliance with SOP and technical guidelines
 - Provision of after-sales service, warranty and maintenance
6. We shall extend full support for integration testing, validation and ongoing compliance monitoring.

We request AMTRON to kindly evaluate our application and grant approval for onboarding of our AIS-140 compliant retrofit devices.

We undertake to comply with all applicable SOPs, technical standards and directions issued by AMTRON and the Transport Department, Government of Assam.

Yours faithfully,
For [Company Name]
